At Big Brothers Big Sisters, our mission is to create and support one-to-one relationships that ignite the power and promise of youth. Our vision is for all youth to achieve their full potential. The need for youth mentoring organizations like BBBS is greater than ever, and research shows that mentoring works. Studies prove that children matched with a Big Brother or Big Sister display positive outcomes in their personal and academic lives.

As a non-profit youth mentoring organization, we count on local business & organization sponsors, donors, and volunteers like you to help us ignite, empower, and defend the potential of youth in our local communities. When you support BBBS, you directly impact local youth. Your financial support provides programs and services in our local community—so we can develop more college grads, stronger workforce, community leaders, and entrepreneurs. Your financial support helps us:

- recruit new Big Brother and Big Sister volunteers
- cover the cost of background checks, while ensuring trained professionals match Littles to responsible Bigs
- enable ongoing supervision and relationship support for every Big, Little, and the Little's family
- provide cultural and social activities to enrich opportunities for children

Support from local businesses, organizations, and individuals is vital to the success of our mission. You have the opportunity to support our two annual fundraisers at once, which **saves you time** and allows us to publicize your business or organization for a longer period of time. We need your support as we share in this commitment to youth throughout Shelby and Darke County.

Sincerely,

Jennifer Bruns  
Executive Director

Peggy Foutz  
Board President

Immediately following the Duck Derby, we have our annual Duck-N-Run 5K where participants race through scenic Tawawa Park.

### Our 2019 Duck Derby & Duck-N-Run 5K had:

# Your Support Helps Ignite, Empower, and Defend Their Potential!

Big Brother Jaysen & Little Brother Blake are matched in our Community-Based Program in Shelby County. Together, they enjoy playing games, attending Big Brothers Big Sisters events, and hanging out.

Big Brother Drew & Little Brother Jesiah are matched in our Lunch Buddies Program at Jackson Center Schools. They eat lunch together every Wednesday during the school year. According to Jesiah, "The best thing about my Big Brother Drew is he is my friend".

## Meet our matches...

Big Sister Cindy & Little Sister Ellianna are matched in our Shelby County Community-Based Program.

Big Sister Brook & Little Sister Carly are matched in our after-school Big Buddies Program at Longfellow Elementary in Sidney.

Big Sister Nikkea & Little Sister Alexis are matched in our Darke County Community-Based program. Nikkea says, "I really enjoy making an impact".

Big Sister Diana & Little Sister Jade are matched in our Community-Based Program in Darke County.

## Proven Youth Outcomes

After one year in our program, children are:

- 46% less likely to begin using illegal drugs
- 27% less likely to begin using alcohol
- 52% less likely to skip school
- 37% less likely to skip a class
- 33% less likely to hit someone

## Changing Perspectives

Big Brothers Big Sisters is not your typical organization. We help children realize their potential and build their futures. We nurture our youth and strengthen communities in Shelby and Darke County, and we could not do any of this without you.

If it weren't for our generous sponsors, we would not be able to make the Big & Little matches that lead to life-changing results.

**Make it your business to get involved!**

Your sponsorship provides necessary support for matching children with volunteer mentors.
