Big Brothers Big Sisters®
OF SHELBY & DARKE COUNTY

At Big Brothers Big Sisters, our mission is to create and support one-to-one relationships that ignite the power and promise of youth. Our vision is for all youth to achieve their full potential. The need for youth mentoring organizations like BBBS is greater than ever, and research shows that mentoring works. Studies prove that children matched with a Big Brother or Big Sister display positive outcomes in their personal and academic lives.

As a non-profit youth mentoring organization, we count on local business & organization sponsors, donors, and volunteers like you, to help us ignite, empower, and defend the potential of youth in our local communities. When you support BBBS, you directly impact local youth. Your financial support provides programs and services in our local community—so we can develop more college grads, a stronger workforce, community leaders, and entrepreneurs. Your financial support helps us:

- recruit new Big Brother and Big Sister volunteers
- cover the cost of background checks, while ensuring trained professionals match Littles to responsible Bigs
- enable ongoing supervision and relationship support for every Big, Little, and the Little's family
- provide cultural and social activities to enrich opportunities for children

Support from local businesses, organizations, and individuals is vital to the success of our mission. You have the opportunity to support our two annual fundraisers at once, which **saves you time** and allows us to publicize your business or organization for a longer period of time. We need your support as we share in this commitment to youth throughout Shelby and Darke County.

Sincerely,

Jennifer Bruns
